

PHA Profiles

Perform a Search

1. From the **List** page, select criteria for search in the *View by* and *State* dropdown menus.
2. Review the HA Profiles Search Filters section.
3. There are two ways to search for an HA. You can either search using the search filters or use the search text box.
 - To search using the search filters:
 - Select *Program Type*, *Activity Status*, and *LR Size*.
 - Click on the **Retrieve** button.
 - To search using the search text box:
 - Click on the **HA Code** or **HA Name** radio button.
 - Enter the information to search for in the text box.
 - Click on the **Search** button.
4. Once you have searched for the desired HA, review the HA Profile table. This table will be populated with the information you requested.
 - To review an HA's details, contact or address information, click on the desired HA.
